## **PCAC Thanks Pat Foye and Welcomes Sarah Feinberg & Janno Lieber to Helm the MTA Statement by the Permanent Citizens Advisory Committee to the MTA June 8, 2021**

"As the MTA, its riders and the entire region enter our next normal, strong and continued leadership at the agency's helm is welcome news. Both Sarah Feinberg and Janno Lieber have demonstrated their commitment to keeping the system running now and into the future, and to ensuring that riders and workers have a safe and reliable trip. We still have a long way to go to build and rebuild our transit network to make it the 21st century system we need and deserve, and this team has shown they can get the job done. We'll continue to work in partnership with them and offer our informed recommendations to improve the ride for commuters as our region reopens.

"Pat Foye's steady hand and decades of political acumen helped save the MTA through partnerships and relationships that helped bring about federal relief packages during this dark past year. We thank him for his incredible service and dedication to the region's transportation system and its riders and wish him well."
